PROFESSIONAL SUMMARY

Motivated and detail-oriented Web Developer with hands-on experience in HTML, CSS, JavaScript, JSON, React, Node.js and responsive web design. Currently pursuing a BSCS degree at SZABIST University. Successfully completed a Front-End Development internship at Morosoft Technologies, where I developed responsive, user-friendly, and visually appealing web interfaces while gaining practical experience in modern web development technologies and UI/UX design practices. Seeking an opportunity to contribute technical skills, creativity, and problem-solving abilities in a professional software development environment.

EXPERIENCE

Front-End Developer Intern

Morosoft Technologies

Jun 2025 – Sep 2025

Developed user-friendly, responsive, and visually appealing web interfaces while gaining practical experience in modern web development practices. Utilized HTML, CSS, Tailwind, JavaScript, JSON, and React, Node.js to build practical solutions, ensuring high standard responsive designs.

PROJECTS

Web Development Projects & Design Applications

Successfully completed various front-end applications implementing practical UI/UX solutions. Additional projects and code repos are fully documented and available via my LinkedIn profile link.
